Ghana

GHANA: Central Region

CENTRAL REGION

The Central Region coastline is famous for its ancient forts and castles built by early European traders, and three of them at Elmina, St. Jago and Cape Coast have been identified as World Heritage Monuments by the World Heritage Foundation under UNESCO.

The Region is also famous for its palm-fringed beaches, fascinating fishing villages and historic towns, and rich natural attractions.

Kakum National Park, just 30km north of Cape Coast, is the foremost nature reserve in Southern Ghana and well

GHANA: Central Region

worth a visit. Almost untouched virgin rainforest has been preserved as a habitat for birds, butterflies and rare local animals, and Kakum is most accessible, as it is very easy to reach from Accra. The Region's culture is depicted through its many exciting festivals which are held throughout the year.

Ghana

VOLTA REGION

The Volta Region is an area of extraordinary scenic beauty.

The rolling hills and valleys, rocky outcrops overlooking Lake Volta, and lagoons, rivers and waterfall make for one of nature's most attractive gift to Ghana.

From the coastal plain, fringed by sun-dappled beaches and mangrove swamps, through moist deciduous rain forests in the central belt, where Mt. Afadjato at 885m is the highest point in Ghana, to the arid savannah of northern Ghana, you can experience almost every tropical climate in West

Africa. The festivals and ceremonies reflect the rich diversity of history and culture of tribal life in the region.

The relics of European coastal forts and other structures still remain, while further north vestiges of the German colonial era are unmistakable.

The regional museum at Ho is an ideal place to understand the background to our heritage.

MOROCCO

MOROCCO

Morocco

MOROCCO

Morocco's attractions offer an eye-opening taste of the exotic, with snake charmers and conjurers, souks piled high with hordes of treasures, and endless glasses of mint tea.

It is also an adventure into some of North Africa's most stunning

scenery, with the desert on its doorstep and the craggy heights of the Atlas Mountains beyond.

Morocco is also a journey into a timeless, tranquil world of cute coastal villages, colourful-painted towns that cling to hillsides, and remote outposts

defended by fairy-tale adobe forts. This fascinating country is a merging of the African and Arab worlds and is steeped in age-old customs.

It is no wonder Morocco has been feted by artists and writers for decades and continues to enchant all who visit.

KENYA

KENYA

KENYA

Kenya - the name is almost synonymous with the word "safari."

Perhaps no other place on the planet conjures such a spirit of adventure and romance.

The diversity of things to do dazzles all who visit and viewing the country's abundant

wildlife tops the list. See throngs of wildebeest thundering across the savanna during the Great Migration in the Maasai Mara;

Come eye-to-eye with an elephant in Amboseli; or marvel at Lake Nakuru, flecked with thousands of flamingos.

In these sun-soaked lands, ancient tribes, such as the Maasai, Kikuyu, and Samburu, retain their traditional customs, living in relative harmony with the natural world.

Beyond the world-famous safari parks lies a trove of coastal treasures.

You can snorkel and dive fish-rich coral reefs, relax on pearly beaches, experience the melting pot of cultures and cuisines in Mombasa and Malindi, and explore tropical islands steeped in Swahili history.

Topographically, Kenya is stunning. Surrounded by calderas and mountain ranges, the Great Rift Valley divides the country.

To the east of this sweeping valley, you can climb the snow-cloaked equatorial peaks of Mount Kenya and fish for trout in crystal-clear streams.

Hell's Gate National Park harbours obsidian caves and hisses with natural geysers and hot springs.

SOUTH AFRICA

- JOHANNESBURG
- CAPETOWN

JOHANNESBURG

The city is rapidly evolving from an edgy safari stopover to a vibrant hub for arts and culture.

Cutting-edge contemporary galleries and the new Maboneng Precinct, with its funky restaurants, cafes, and art studios, now rank among

the city's top tourist attractions along with the poignant Apartheid Museum and Constitution Hill.

Glaring disparities — the shanty towns of Soweto, birthplace of the nation's struggle for democracy — still contrast sharply with the walled

villas of wealthy enclaves and the city's gleaming skyscrapers. However, rapid changes are coaxing tourists to linger.

Hop aboard one of the new Gautrain trains and buses to explore, and not far from the city's borders, more adventures await.

You can commune with wildlife at a popular lion park; stroll among the beautiful gardens, parks, and other attractions in Pretoria, the country's administrative capital;

And explore the UNESCO-listed Cradle of Humankind, one of the richest paleoanthropological sites in the world.

Discover the best things to do with our list of the top attractions in Johannesburg.

CAPETOWN

Set seductively between mountains and the sea, Cape Town flaunts its natural beauty with pride.

Rising above the city, iconic Table Mountain provides the perfect plateau for panoramic views that stretch to the glittering Atlantic, botanical

gardens beckon from its slopes, and the city's long blonde beaches, backed by towering peaks, are some of South Africa's best.

Bubbling beneath the surface is an irrepressible sense of adventure, and travellers can join in the fun with a range of

SOUTH AFRICA

outdoor activities, from hiking, biking, surfing, and paragliding to whale-watching trips and cage dives with great white sharks.

As the oldest European settlement in Africa, Cape Town has a rich and, at times, turbulent past.

At Robben Island, history buffs can see where Nelson Mandela was incarcerated for 18 years. In the hinterland, elegant Stellenbosch is a Nirvana for foodies.

Along the rugged coast, scenic drives slice into mountains that plunge to the sea, penguins waddle on pristine beaches, and Cape Point is part of a UNESCO World Heritage Site with one of the richest floral kingdoms in the world.

- ABU DHABI

DUBAI

Glitzy Dubai is the United Arab Emirates' holiday hot spot.

This city of high-rises and shopping malls has transformed itself from a desert outpost to a destination du-jour, where tourists flock for sales bargains, sunshine, and family fun.

Dubai is famous for sightseeing attractions such as the Burj Khalifa (the world's tallest building) and shopping malls that come complete with mammoth aquariums and indoor ski slopes.

But this city has many cultural

highlights and things to do, as well as all the glamorous modern add-ons.

Take a wander around the Bastakia district, and you will discover the Dubai of old, then cruise along Dubai Creek in a traditional dhow, and you will soon realize there's more to this city than its flashy veneer.

ABU DHABI

Capital of the United Arab Emirates, Abu Dhabi is a well-ordered, industrious city with a pretty waterside location.

First inhabited by the nomadic Bani Yas tribe in 1760, the settlement remained a small fishing village until oil was discovered.

The revenues transformed Abu Dhabi into the modern city of today-a bustling center of government and business.

The Sheikh Zayed Grand Mosque is the major tourist attraction and wows all who visit. But the city also makes a good base for excursions to the desert landscapes of Liwa Oasis and the oasis city of Al Ain.

SINGAPORE

SINGAPORE

Singapore has been described as a playground for the rich, and it is true that the small city-state does have a certain sheen of wealth.

But Singapore offers more than just high-end shopping malls, luxury hotels, and fine dining (though it is worth indulging in those a bit if you can).

There is also a vibrant history and diverse ethnic quarters to discover, along with many family-friendly attractions and lovely public spaces that make visiting this slightly futuristic city worthwhile.

At Little India, be greeted by myriad colours of aromas the

SINGAPORE

moment you arrive. Walk past shops along the five-foot way offering a variety of exotic fruits, spices and flower garlands. Continue with a drive past the civic and colonial district with a stopover at Merlion Park for a photo opportunity against the picturesque backdrop of the Marina Bay.

Proceed to Chinatown to explore the Chinese influence on the city. Find out why it is home to one of Singapore's oldest Hindu temple.

Singapore's first UNESCO World Heritage Site – the Singapore Botanic Gardens – and walk through the National Orchid Garden which boasts a sprawling display of 60,000 orchid plants.

HONGKONG

HONGKONG

HONGKONG

Hong Kong is known the world over as a glamorous city and a top choice for luxury shopping.

But this city-state is steeped in culture and history and has a lot more to offer than mouth-watering dim sum and an impressive skyline.

Around every corner is something new and unique, whether it is an ancient temple, a shop selling the latest electronic gadget, or a man taking his bird in a cage for a walk.

Hong Kong has another side as well, where you will find forest-

covered mountains, hiking trails, beautiful beaches, islands, and traditional fishing villages.

Hong Kong is one of the most impressive cities in the world, certainly, but there is much more here than meets the eye.

Major attractions in Hong Kong are Disneyland, Ocean Park, Ngong Ping 360, Sky 100, The Peak, Sky Terrace 428, Madame Tussauds, Hong Kong Observation Wheel, Hong Kong Museums (7 Museum access), Aqua Luna, Noah's Ark, Wetland Park, and Star Ferry Harbour Cruise.

MALAYSIA

An unusual blend of a developing nation and the modern world, Malaysia ranks as one of the richest countries in Southeast Asia.

Its prosperity largely resting on thriving high-tech industries. Its skyline is dominated by the

1,480-foot-tall Petronas Twin Towers, a pair of glass-and-steel-clad skyscrapers with Islamic motifs and the world's tallest twin skyscrapers.

The city features colonial architecture, excellent shopping and dining and its colourful Chinatown is a

popular bargain hunter's paradise.

A holiday in Kuala Lumpur, a modern metropolis and capital of Malaysia, reveals a place where colonial influences, Asian traditions, and modern aesthetics come together in urban architecture and street layout.

Admire the masterpieces at Islamic Arts Museum Malaysia, then Head underground at Batu Caves, and then stroll around KL Bird Park.

Keep things going and admire the landmark architecture of Petronas Twin Towers, enjoy breath-taking views from Menara Kuala Lumpur, then walk around KLCC Park, and finally take a stroll through Chinatown.

FLORIDA

At least a dozen images spring to mind at the mention of Florida, one of the most popular tourist destinations in the United States.

For many, it is Orlando's world-famous theme parks at Disney World and Universal, while

others may think of the nearly endless number of championship golf courses that are scattered throughout the Sunshine State.

Waterbugs and sun-worshippers have hundreds of beaches to choose from, and retail connoisseurs will find

luxury stores and quirky boutiques in abundance in each city.

Beyond the entertainment and recreation, Florida has a rich historic and cultural past featuring peaceful natives, Spanish conquistadors, swashbuckling pirates, and generations of Caribbean influences that make it an incredibly interesting and diverse place to visit.

It is also home to some of the most unique and special natural places, including Everglades National Park and the scores of barrier islands with precious ocean ecosystems.

LOS ANGELES

The sprawling city of Los Angeles, in Southern California, has long been known internationally in the film and entertainment industry.

Particularly for Hollywood, a place that has drawn aspiring actors and actresses from

across the country for over a century.

Today, LA is a culturally diverse city with a reputation for being the creative centre of America.

Visitors will find a thriving culinary scene, incredible shopping, outstanding

museums, and fun family attractions. Sunseekers coming to enjoy the warm climate and beaches will find plenty of things to do and interesting neighbourhoods to explore.

Upgrades to the public transportation network in recent years and the addition of a Metro Bike Share in downtown LA have made getting around and sightseeing easier than ever.

For families, nearby Disneyland and Universal Studios are key destinations that often warrant repeat visits.

BRAZIL

RIO DE JANEIRO

For tourists, Brazil is both a tropical paradise and an exciting cultural destination with attractions for all tastes.

From idyllic beach holidays and jungle explorations to world-class art museums and the pulsing rhythms of Rio's

Carnival. When you visit Rio de Janeiro you simply must take a samba lesson; even The Girl from Ipanema does the samba, Rio's most popular dance.

Besides the samba, this cosmopolitan city is known for its Carnival, the bossa nova, and Copacabana Beach.

BRAZIL

Its most famous landmark may be the Christ the Redeemer statue that sits atop Corcovado Mountain.

The easily recognized emblem of Rio de Janeiro, the rounded rock peak of Sugar Loaf juts out of a tree-covered promontory, rising 394 meters above the beaches and city.

Its summit is one of the first places tourists go, for views of Rio and the harbour, and for the thrill of riding suspended in a cable car between Sugar Loaf and the Morro da Urca, a lower peak from which a second cableway connects to the city.

BRAZIL

UNITED KINGDOM

LONDON

It is little wonder London is one of the world's top tourist destinations, attracting upward of 15 million visitors each year.

Britain's capital city is a vibrant arts and entertainment center (its theaters are always busy), and 50 years after the Beatles, the country's music scene still rocks.

London also offers one of the planet's greatest concentrations of cultural attractions.

From royal palaces to the people's parliament, from museums and churches to riding a giant Ferris wheel for breathtaking views.

UNITED KINGDOM

You could spend endless days exploring London's sites without ever running out of unique things to see and do.

An added bonus is that many of the most popular places to visit are free.

Amsterdam, the capital of the Kingdom of the Netherlands, is one of the most popular tourist destinations in Europe.

With its universities, academies, and research institutes, along with more than 40 museums, numerous

Many picturesque bridges link the city's 90 islands, eight of them old wooden bascule bridges, including the Magere Brug (Mager Bridge), one of the city's most frequently photographed.

Here, the preferred method of transportation is a bicycle. Rent a pair and head out to explore the Golden Age that inspired the design of the city.
